

*Today-October 31st- we have celebrated our Halloween Party.*

*Children have come to school dressed in fancy costumes and the whole school is full of witches, ghosts, monsters, sorcerers and other scary creatures...*

*Fifth year pupils have provided us with us a tour of terror!!!!*

*It has been the most terrifying and amazing experience for some children!*

*Going trick or treating is the sweetest moment for all of us... but we won't forget those terrifying cakes!!!!*

*We've had great fun!*
